## About the European Youth Week 2023

This year, the Youth Week focuses on musical development for youth. We want to help young adults to discover their artistic side, to create music together and to share this passion across borders. Whether you have zero musical knowledge or already know how to play many instruments, we show you how to turn an idea in your head into a beautiful song that you can share with everyone.

We want to invite you to Szeged, one of the most beautiful cities of Hungary.

In addition to music, you will enjoy a wide range of experiences. You will learn about Hungarian hospitality, food and cultural customs. You will gain insight into the mysteries of the Hungarian music world. During the Youth Week you will visit the sights of Szeged and Ópusztaszer, a beautiful part of the Hungarian lowland. Here you can discover many wonders of Hungarian culture, admire stunning Hungarian paintings and see the magnificent archaeological and historical heritage of Hungary.

The event is held in the hotel "Tisza Sport" <http://tizasportszallas.hu/>
